The Official Newsletter of the Barony of the Flame

From the Baron and Baroness

Winter is coming!

For the magnanimous populace of the Flame that means Christmas Tourney preparations are well underway! We would encourage all of our members to try and volunteer in a small or large capacity for the event. If you are looking to volunteer your time, please contact Vigilant Ellowyn (Event Steward) and or Vigilant Marissa (Royalty Liaison).

This will be Christmas Tourney 45, what an amazing legacy this event has and will continue. So many stop us to reminisce about how wonderful the event has been over the years and how much meaning a charity tournament has to their hearts. We are so proud and honored to be a part of something that allows us to give to those in need. This year we are adding more avenues for charity and hopefully drawing an increased crowd with the elevation of two of our closest friends to the Order of the Pelican, the ever busy Ellowyn and Marissa mentioned above.

Speaking of Kingdom renown Flame members and elevations, we would be entirely remiss to not congratulate Master Aeiric Orvender. He has been a premier artisan of the Barony for many years and has shared his talent and artwork across the Kingdom, from Royal regalia to personal items for everyday use. There is no doubt he will serve the Crown well as counselor and Peer.

As ever we are humbled by the talents, energies, and devotion to The Dream that is evident in our populace. We are a Barony on fire!

Incendo!

From the Seneschal

Greetings, Barony!

The warmth is drawing to an end and the colder months approach. I am excited to see us host Christmas Tourney this year, and hope that many of you will get to join us on December 3rd. Please come and host our esteemed Royals! I will be collecting items for Royalty gift baskets, so please let me know if you have any donations.

As a reminder, our extra Baronial Facebook page has been deleted and our Barony of the Flame group is now our active presence on that social media platform. We have many folks looking to get started in the SCA, and have some possible demos coming up. Please welcome these people with the warmth that we are known for. We will soon start thinking of a date for Baronial 12th Night early in 2017, where we will host our A&S and Bardic Championships.

From the Exchequer

Greetings Barony,

The coffers are nicely stocked for the coming winter months. The Barony should stay warm and fed during these colder months. Our current balance is \$11,871.94. We are prepared! Any receipts for reimbursement need to be given to me and are always subject to approval.

We are getting ready for our Christmas Tourney event and we ask for all the volunteer help we can get. Likewise, if anyone is interested in volunteering to be my deputy, there is an opening. I would like to have someone volunteer soon so I can train them and get them ready for when I step down. Please let me know if you are interested.

Stay warm and keep on working hard to keep the Barony the best!

Baronial members of The Abbey traveled to the Rosenvalk Festival in Ferdinand, IN on October 15th. They set up a 14th Century Campaign Camp, gave historical lectures, and performed a martial demo demonstrating various fighting styles. Great fun was had and the crowd was definitely entertained! Their demonstration resulted in possible new members from both Evansville, Indiana and Dayton, Ohio. Well done! Thank you to The Abbey for organizing this outreach event.

Orry Guerin (James Benedicktus), formerly of Wurmwald and Swordcliff, has recently moved to the Barony. Welcome!

From the Mistress of A&S

I am pleased to announce our Barony's bid to host S. Oaken Arts & Sciences Regional Faire for 2017 was accepted! The event is being held on April 22, 2017 at St. Michael the Archangel Orthodox Church (3701 St. Michael Church Dr, Louisville, KY 40220). A website will be live soon as will a Facebook page. I ask all members of the barony to share it widely to encourage artisans and thinkers alike to participate in the Faire!

There will be a Craftsperson's Faire held at Christmas Tourney December 3, 2016 which is being hosted by THL Emer Attain, our Regional Arts and Sciences Minister. This offers a wonderful opportunity for those wishing to participate I. The Spring Faires a chance to fine tune their projects and obtain constructive feedback.

There will be an Arts & Science competition (populace vote) at Christmas Tourney as well as a prize for the best documentation. Stay tuned to the Christmas Tourney site and Facebook page for updates as the event draws nearer!

From the Chronicler

To the Populous of the great Barony of the Flame,

Thank you for the opportunity to serve as your Chronicler. I would like to thank The Honorable Lady Marissa von Atzinger for her years of service and dedication in producing The Flamberge. She had done a wonderful job with the newsletter over the past 4 years. It is my hope that I may make both her and our barony proud with my service in this capacity.

In order to make the Flamberge truly the newsletter of the happenings of the Flame, I need your help. Please submit photographs, articles, poetry, short stories, memories or drawings for inclusion in our publication. Share the best of your medieval experience with our local group! I look forward to witnessing your creativity and working together to continue publishing a quality newsletter.

Best,

Lady Sadb ingen Neill
